### THE HERITAGE LINE

Monina's artistry began decades ago in Puerto Rico, where she created award winning fashion. # Meet The Gracewell Studio Team

## THE HEARTS BEHIND THE HANDS

**Tyler.** A founding member and creator, a beautifully neurodivergent thinker, a lover of trivia and puzzles, and the quiet glow behind the Tinker Cube. He brings humor, heart, and digital magic to everything we do.

**Gabriela.** A Puerto Rican photographer and multi faceted artist whose lens captured the soul of our new website. Her art, intuition, and presence breathe life into every image you see.
